**Vendlink. We're different. We'll prove it.**

**Vendlink<sup>®</sup>  
Round-The-Clock Monitoring**

**Our exclusive, state-of-the-art wireless technology**  
captures complete, up-to-the-minute information about every one of your machines...

**24 hours a day,  
7 days a week,  
365 days a year.**

This detailed information helps us create a new, advanced level of service for you...a level of service unmatched in the industry.

Your vending customers are happier. Your life is simpler.

**Your vending potential is maximized.**

**We Know:**

- ✓ What is selling in your machines
- ✓ When any of your items need to be re-stocked
- ✓ If any of your machines are out of order
- ✓ How much money is in every one of your cash boxes
- ✓ If someone is tampering with any machines on your premises

**How YOU Can Benefit**

**Vendlink Round-the-Clock Service**  
**It's 2 a.m. Who's monitoring YOUR vending machines?**

With Vendlink's non-stop wireless monitoring, product sell-outs are virtually eliminated and mechanical problems are often fixed before you even know they exist. Plus, we constantly analyze each machine's unique sales patterns to customize assortments for your customers.

**Vendlink.com**  
**Interactive, On-line Management for Vending**

With our password-protected web site, you have access to an unprecedented level of sales and service data for each of your vending machines. This up-to-the-minute information helps us work together to make better informed decisions and maximize your vending potential. Visit [www.vendlink.com](http://www.vendlink.com) to find out how.

**Vendlink Audit**  
**Automatic cash tracking, accurate to the nickel**

Every day, our field service people take care of the funds on-hand that contribute to great service — but counting cash is no longer among their duties. Vendlink Audit lets our people focus on service, and gives your precise data on how much cash is going into your machines.

**Vendlink Partners**  
**A Better Bottom Line — Guaranteed**

Everything we do — machines working and fixed with more of the products your people want, on-line management tools, electronic cash tracking — helps us maximize revenue from your vending locations. And with our Vendlink Partners program, we guarantee your organization will reap the benefits.

**WHEN WAS THE LAST TIME YOU THOUGHT ABOUT CHANGING YOUR VENDING SERVICE?**

**The Vendlink Difference:**

- ✓ Dramatically Improved Service
- ✓ Dramatically Reduced Hassles
- ✓ Exceptional Value

# one:one

Graytor pushes color  
to the limit.

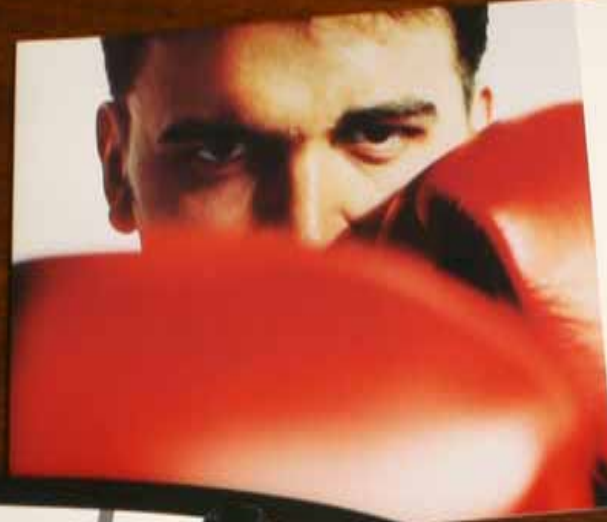

Achieving the maximum impact of color in print is not child's play. With over 50 years of experience and color expertise, we are dedicated to exceeding expectations. After all, the best ideas deserve only the highest quality of printing. Our color capabilities are always

expanding and we are ready to handle anything from short run digital to large format 8 color sheetfed with in-line UV coating. Imagine process color printing plus up to 4 additional spot colors and an **eye popping** UV coating that delivers the dazzle to get noticed... all in just one pass through the press. So go ahead and push the limits of your imagination. Whether you want to grab your audience with glimmering metallic spot **colors** or make a critical photo or corporate logo jump off the page, Graytor is ready to take your next job to the limit.

For a current list of our ever growing array of equipment visit our website at [www.graytor.com/equipment](http://www.graytor.com/equipment)

INTO ONE PASS

one-two

Graytor Printing announces the  
**one-two punch**  
that will knock you off your feet.

Introducing our new 4 color and 8 color Heidelberg presses... both with **in-line UV** or aqueous coating capability. With the addition of these 2 great contenders, your printed materials can now have more color, more shine and **more impact** than ever before. That means full color printing plus up to 4 additional spot colors and a beautiful spot or overall coating that offers both the dazzle it takes to get noticed and tough protection to help your piece go the distance... all in just **one pass** through the press!

When it comes to quality printing, Graytor knows the ropes and doesn't pull any punches. With our wide variety of equipment and capabilities, we are in peak condition to provide you with world class service all **under one roof**. That's why we've been in the ring for over 50 years keeping customers happy and earning the title as the undisputed **total print solutions provider**.

So whether you're a heavyweight faced with the bout of the century or a welterweight fighting to make a name for yourself, let Graytor help make your next job a technical knockout. Call us today so our highly trained staff can start working in your corner.
